Dear Shahzaib Kashif,

RISC-V International is please you were able to attend RISC-V Summit 2020 Virtual, which took place December 8-10, 2020.

Thank you for participating in the Q&A session of Rocket Chip. We love the students and interns in the RISC- V community and I hope you continue your work with RISC-V.

RISC-V International is a non-profit organization supporting the free and open RISC instruction set architecture and extensions. We enable open community collaboration, technology advancements in the RISC-V ecosystem, and visibility of RISC-V successes.

On behalf of RISC-V, thank you for your participation in RISC-V Summit.

Best,
